A slogan is needed for the boy Jesus statue that will be placed in the landscape below the large cross.

Students are asked to come up with a slogan and turn it in to teachers. The best fit slogan will be engraved and then placed with the statue. See your child's teacher for more info.

School Reach: Two phone calls have been placed recently using a phone service called School Reach. If you have not received these phone calls, please check with the office to make sure they have the correct numbers so you receive these important messages.

Dear Parents,

This Sunday we kick off Catholic Schools Week. This is a national event and every Catholic School in the nation will be having events and activities to celebrate this wonderful gift of Catholic education.

Please join us for Mass on Sunday at 9:00 and 11:00 where the students will lead the singing, proclaim the readings, read the petitions, and carry their class banners. Our other events for the week are listed in this Ram Review. You are invited to join us for all of our events.

A big thank you to all of you who came to McDonald's on Monday evening for dinner. We made \$315.00 for the evening. We are hoping to do this again in the spring. McDonald's was very cooperative and willing to help us make money for our school. Most importantly, we model for our children that we are involved in the local community.

Remember to stop in the office and sign up to volunteer for our Wine and Food Classic. This is our largest fundraiser and we need everyone to help out. The volunteer book is located in the office on the counter.

There are lots of opportunities and different jobs to do.

As always, we love your children and feel blessed to serve at St. James School. If you have any questions, concerns, or suggestions, please contact me at school.

Sincerely,

Mrs. Jeananne Bloudek
Principal
